

Alexandria N. Hughes, PhD, MS

✉️ hughes.alexnicole@gmail.com | ☎️ 208-407-1442 | 🗺️ Richmond, VA | 🌐 hughesan.github.io

Education

Sep 2020 | **PhD, Neuroscience** *University of Colorado, Anschutz Medical Campus*

Aug 2023 | **MS, Statistics** *Texas A&M University*

Dec 2014 | **BS, Biology; Mathematics minor** *Boise State University*

Work Experience

5/2025 -	Biostatistician <i>Virginia Commonwealth University, Pauley Heart Center</i> <ul style="list-style-type: none">Collaborative biostatistician providing study design, data management, and data analysis for clinical trials in cardio-oncology and exercise physiologyWrite statistical analysis plans and results and methods sections of grants and papers; monitor ongoing trial data with custom Shiny dashboards; analyses include the use of mixed-effects models, mediation analysis, multiple imputation
10/2023 - 5/2025	Data Scientist <i>National Institutes of Health Clinical Center (NIH/CC)</i> <ul style="list-style-type: none">Collaborative statistics consultant and analyst for investigators in the Clinical Center's Translational Biobehavioral and Health Disparities BranchPerformed data analysis for clinical trials in health behaviors: sleep and exercise (accelerometry / actigraphy data) and nutrition (microbiome analysis); led research projects using large cohort study data (All of Us Research Program, NHANES)
12/2022 - 10/2023	Mathematical Statistician <i>National Science Foundation (NSF/NCSES)</i> <ul style="list-style-type: none">Provided statistical review and consultation services for NCSES surveys, publications, and reports, including the Survey of Earned Doctorates, Diversity and STEM, and the Annual Business Survey in collaboration with the Census Bureau
10/2021 - 11/2022	Senior Biostatistician <i>Westat, Public Health & Epidemiology</i> <ul style="list-style-type: none">Statistician on contracted epidemiological studies with federal partners (CDC and NIH)Wrote statistical analysis plans and manuscripts, performed analyses in R, managed data dictionaries and AWS cloud computing resources for the team, data access administrator for a large omics data repository
2015 - 2021	Graduate & Postdoctoral Research <ul style="list-style-type: none">IRTA Postdoctoral Fellow, Behavioral Neurogenetics, NIH/NICHD (2020 - 2021)<ul style="list-style-type: none">Bioinformatics (Bioconductor), RNA- and scRNA-seq data analysis including clustering & batch correction methodsNSF-GRFP-funded Graduate Fellowship in Neuroscience, University of Colorado (2016 - 2020)<ul style="list-style-type: none">Coursework in R, Python, MATLAB; used R for all data analysis; computational biology (genetics, RNA-seq, image analysis, neuronal circuit modeling & simulation)
2011 - 2015	Mathematics Adjunct Faculty & Tutor (30 h/wk) <i>Boise State University, Dept of Mathematics</i> <ul style="list-style-type: none">Taught 2 sections of Elementary Algebra, TA'ed 2 sections of Calculus II and 3 sections of Calculus III, and provided drop-in tutoring services for the math dept (30 h/week)

Technical Skills & Expertise

- Programming & Data Science:** R (primary since 2016), Python, SAS; workflow tools: Git/GitHub, Jupyter, Quarto, HPC, cloud computing
- Statistics:** Regression modeling, survival analysis, mixed/longitudinal models, survey methods; machine learning (ensemble methods, clustering, predictive modeling); missing data methods (multiple imputation, sensitivity analyses)

- **Clinical & Epidemiology:** EHR, clinical trials, large national cohorts (NHANES, All of Us); REDCap, CITI GCP certification
- **Bioinformatics:** Bioconductor, RNA-seq & scRNA-seq analysis, microbiome data; genomic databases & tools (UCSC Genome Browser, NCBI, Ensembl)
- **Visualization & Data Communication:** Shiny dashboards, ggplot2, vector graphics (Inkscape); teaching undergraduate mathematics, mentoring students

Professional Development, Certifications, and Awards

- National Science Foundation Graduate Research Fellowship Program (NSF-GRFP) awardee: project and tuition funding for the entirety of my PhD (\$138,000)
- University of Colorado School of Medicine Dean's Outstanding Dissertation Award: Dean's selected dissertation of the 2020-2021 doctoral graduating classes
- COR (Contracting Officer's Representative) I certification
- SAS 9.4 Certified Associate
- Member, American Statistical Association
- Road Runners Club of America (RRCA)-certified Run Coach
